RECENT EXPERIENCE

Fostoria Baptist Church (www.fostoriabaptist.org) (January 2008-Present)

Webmaster

Developed a custom Wordpress theme to meet the needs of the church. I also trained church staff to use the Wordpress interface, to update their areas of the website. I continue to solve any technical issues that come up and to maintain the online audio sermons three times per week. I also provide technical support to those downloading sermons.

Marie Madeline Studio (www.mariemadelinestudio.com) (August 2006-Present)

Webmaster & Product Packaging Designer

Developed a shopping cart template to highlight client's products more effectively using Zen Cart, moving the client from a static html site to a dynamic shopping cart. I also designed the client's logo and all print covers for printed products (patterns, clothing tags).

The HomeMaker's Mentor (www.thehomemakersmentor.com) (Sept. 2010 - June 2011)

Virtual Assistant and Technical Support

While working with the client, I helped develop a customized Wordpress Membership theme, using Wordpress and S2Member. I provided technical help to client's customers regarding the membership site and the shopping cart system, and I maintained client's products in shopping cart interface.

Animal Emergency Hospital (www.animalemergencyhospital.net) (June 2011-Present)

Web Designer

Converted client's existing website to Wordpress, with a custom Wordpress theme. I advised client concerning SEO and social media marketing options. I also designed client's logo.
